Re: MCCG Legislative Platform 2014

The McHenry Council of Governments has circulated its legislative platform among its members for comment and concurrence. It also contains a transportation component which includes the regional support for the Longmeadow Parkway project.

The Village of Barrington Hills as a member of MCCG (pronounced “McCOG”) has been requested for its position at its last business meeting.

The Village can comment in whole or in part to the platform and provide its own explanation on one or more elements of the platform.
